

# IMPORTANT: Account Verification Required

Dear Valued User,

Your account requires immediate verification to maintain access to your services.

This is a routine security check performed periodically to ensure the safety of your account and personal information.

## Action Required:

1. Review your account details
2. Confirm your identity information
3. Update your security settings

[Verify Account Now](#)

**Warning:** Failure to verify within 48 hours may result in account suspension.
